

KANSALLISARKISTO, HKI: KAUPPAREKISTERIN WISCARD-KORTIT –1997

KA:n Astiapalvelussa haun ja tilauksen voi suorittaa hakutermillä "Ab:xxx Kaupparekisterikirjat".

Wiscard-kuva. Yksiköt Ab:1–278 sisältävät Mikkelissä säilytettävät sidutut kaupparekisterikirjat 1896–1928 (1–61.099), joiden tiedot silloin vielä toimineiden yritysten osalta siirrettiin Wiscard-kortteihin, kun ne 1928 otettiin käyttöön. Astian mukaan Ac:1–307 pitäisi sisältää kaupparekisterilehtiä koskien yrityksiä 2–70.260, mutta sarja ei ole fyysisesti olemassa, ja yksiköiden sisältämät kr-numerot ovat samat, kuin Ab:-sarjassa.

Ab:279 no. 2–450	Ab:332 16996–17185	Ab:385 28756–29077	Ab:438 39591–39683
